# Certificate of Conformity

## Argweld® PurgElite® INFLATABLE TUBE AND PIPE WELD PURGE SYSTEMS

**Argweld® PurgElite® Inflatable Tube and Pipe Weld Purge Systems** are manufactured to strict quality control standards and procedures using the guidelines provided by those standards shown below.

We are aware of and have studied the guidelines and compliances set out for safe manufacture and use of our products. We strive to conform and to use our best endeavours to ensure that all of our manufacturing processes meet International, UK and European quality control manufacturing standards and procedures.

Huntingdon Fusion Techniques HFT® is committed to following quality control requirements laid down by organisations such as IROHS compliance (Directive EC/96), UKAS, COSHH, ISO9000/1, BSC, HSE, ABET, REACH Regulations (EU Regulation (EC) N° 1907/2006), EuP Directive (2005/32/EC) and WEEE Directive (European Standard EN50419:2005), IEEE 2002/95/EC which conform to International, UK and European manufacturing procedures. (RoHS compliance relates to the 2006 Directive from the European Parliament relating to restrictions on the use of certain hazardous substances in electrical and electronic equipment.) •

**Argweld® PurgElite® Inflatable Tube and Pipe Weld Purge Systems** are manufactured to strict quality control standards and procedures using the guidelines provided, are of UK manufacture and origin and carry a recognised CE Mark.

Intellectual Property Numbers 1430421-1386378 / 009916556 / 011242526 / 011242484

• Some of these regulations are appropriate to some of our products only, such as instruments (eg RoHS, WEEE, IEEE) however, all compliances are stated.
